

Job description

Busy, multi-location Ophthalmology practice seeks an Ophthalmic Technician to join our team. We are looking for an extremely motivated & reliable professional individual to perform duties such as checking patients in, updating their medical history & medications into our EMR system prior to seeing their doctor. Performing routine and diagnostic tests such as visual acuity, lensometry, visual field testing and OCT imaging and update patient's electronic chart with testing results.

Experienced preferred but willing to train the right candidate

CE credits opportunity to become Certified

Career Opportunity

Candidates must be dependable, enjoy working with the public, and possess excellent communication and customer service skills

Travel between all offices is required, as are some evening hours and occasional Saturdays in our Brodheadsville office.

Salary will commensurate with experience.

If you are committed to compassionate patient care and work well as a team with other dedicated employees, please contact us.'

Benefit Conditions:

- Waiting period may apply
- Only full-time employees eligible

COVID-19 Precaution(s):

- Personal protective equipment provided or required
- Social distancing guidelines in place
- Sanitizing, disinfecting, or cleaning procedures in place

Work Remotely

- No

This Job Is Ideal for Someone Who Is:

- Dependable -- more reliable than spontaneous
- People-oriented -- enjoys interacting with people and working on group projects
- Adaptable/flexible -- enjoys doing work that requires frequent shifts in direction
- Detail-oriented -- would rather focus on the details of work than the bigger picture
- Achievement-oriented -- enjoys taking on challenges, even if they might fail
- Innovative -- prefers working in unconventional ways or on tasks that require creativity
- High stress tolerance -- thrives in a high-pressure environment

Job Type: Full-time

Pay: \$14.00 - \$17.00 per hour

COVID-19 considerations:

Our offices are following all CDC guidelines for a safe and healthy environment for our patients and staff.
